March 18, 2020

Dear Residents,

Due to the COVID-19 pandemic York Township has put a plan in place to continue to care about the well being of all our residents, clients, staff and volunteers.

Effective immediately the township building will be shut down until Monday, April 6th. We will remain open to the public via phone and email to ensure all your questions and concerns are answered. The Supervisor's office can be reached at 630-620-2400 or Supervisor@yorktwswp.com. Transportation remains open for essential rides only at this time. Please call 630-620-2413 for details.

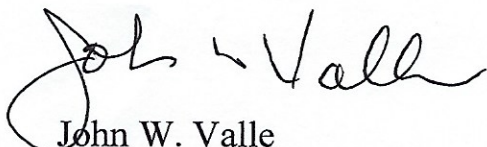

Please direct any questions regarding the Assessor's office to 630-627-3354 and the Highway department to 630-627-2200.

Our food pantry operation will remain open Monday through Friday from 9:00 a.m. until 11:00 a.m., but with significant changes. Please carefully read below the instructions which need to be adhered to.

We are asking you to come to the front entrance of the building to be greeted by a staff member who will give you 2 pre-filled bags of food. Each client will get the same amount of food.

Again, this is for the safety of everyone, it will assist with the "social distancing" that has been recommended by the CDC. I urge you to check our website for any further updates or developments as this is a fluid situation.

Thank you for your patience and understanding,

John W. Valle
York Township Supervisor
