Trustee Amore said that a senior asked him about the possibility of the township providing attorney consultations to the public, perhaps on one day a month. Trustee Rago suggested that the Board should adopt a strategic plan to move forward, and that he would be happy to work on that. Trustee Sutherland said that the Board should have a set of policies and that there doesn't seem to be a current one; Supervisor Murray said that he is aware and has been looking into this. Clerk Kleppe suggested putting together a committee to examine the township web site with the goal of revamping it.
